Produce is of the finest quality, sourced as locally as possible each morning to create D'vine's wide menu selection of affordable sandwiches, salads, smoothies, breakfasts, hot foods, fresh ground coffee and drinks to take out.

The family business operates with more than 15 years of experience in the catering sector and prides itself on preparing 'fresh to order' products for all it's customers.

D'vine guarantees you 100% satisfaction whether you order a 'Cajun chicken salad with mango, lime and chilli dressing' to a 'boxed breakfast' using award winning 'sausages' to nurse a hangover! We also offer homemade soup of the day, hot carved roast and hot special each day.
